Automation OC Expo and Training Event

The ISA-OC Board invites you to participate as an exhibitor for this exciting Expo to showcase your Instrumentation and Automation products and services to the local Automation community of users and engineering professionals.

When: Tuesday, November 7th, 2019

Where: Old World Village in Huntington Beach, CA

Event Theme: Industry 4.1

You are welcome to demonstrate how you have implemented the Industry 4.1 technology into your products and services.

Please complete the Exhibitor Sign-Up Form, located on the website www.automationoc.com, to obtain more information and book your tables. You may also contact Winnie Ababat or Curtis Horn for more information.
